

CM/ECF Survey

The Bankruptcy Court of the Northern District of Alabama is planning on converting our existing NIBS case management system to the Internet based CM/ECF system in two stages. The second stage (ECF) can directly affect how you conduct business with the Court. Look at our website, <http://www.alnb.uscourts.gov> for further information.

Please complete the following survey so that the Court can adequately plan for the conversion. Thank you in advance. If possible, please return the survey by the end of February to:
